

Great Escape Vacations Intl

Great Escape Vacations Intl (GEVI) was formed March 2002 to provide dream vacation packages with upscale accommodations, exciting experiences, and lasting memories. GEVI is a full service travel agency that specializes in leisure & luxury vacations, sports & entertainment packages, honeymoon & destination weddings, special needs accessible travel; and provides recreational and business travellers with professional concierge service and consultation.

GEVI is a sole proprietorship owned and operated by Brenda Lofton in the Houston, Texas area. In addition to her Owner status, she is personally involved with all facets of the operation and is very passionate about the activities and services offered. GEVI positions itself as a specialist in the field of special-interest vacations.

GEVI is not a vacation club or a seller of time shares.

Our mission is to provide our clients with their dream vacation and create lasting, memorable experiences. GEVI is unique in that we give our clients our undivided attention. We listen to their desires and work with them to create the vacation of their dreams. GEVI's objective is to be the foremost provider of special-interest travel. GEVI seeks to connect newcomers and veterans with experiences, activities, and accommodations that fit the client's desires, budget, and dreams.

Great Escape Vacations Intl strives to build a relationship with each of our customers so that we can personalize your trip to your vision. By doing this, we can ensure that you find the destination that fits your idea of relaxation, romance, excitement, and find ways to make the experience even more memorable by incorporating extra details.

You will come as a guest and leave as a friend.

We are a company you can trust and we only work with reputable travel partners, suppliers, and vendors who have a proven, trustworthy track record.
